## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-11 are allowed.

The following is an examiner's statement of reasons for allowance: the Examiner agrees with Applicant's arguments. Regarding independent claim 1, the prior art fails to teach or fairly suggest, in addition to the accompanying features of the claim, a holder for patch cables being arranged between one end of a housing and an adjacent end of the frame, with the holder being firmly mounted in the housing and the frame being able to pivot with respect to the holder. Claims 2-11 are allowable by virtue of their dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
